Git • Github

PROJECTS

WANDERLUST | HTML, CSS, EXPRESS.JS, NODE.JS, MONGODB

Team of Two

- Spearheaded the development of a dynamic online platform enabling users to seamlessly book flights, hotels, and sightseeing activities.
- Implemented secure online payment gateways to enable hassle-free booking and transactions.
- Designed a user-friendly and visually appealing interface to enhance the user experience.
- Utilized MongoDB as the database, optimizing data storage and retrieval, resulting in a responsive and user-friendly platform for travelers to plan and book their trips hassle-free.

HOTEL MANAGEMENT SYSTEM | HTML, CSS, MYSQL

Team of Two

- Developed a Hotel Management System website providing an intuitive and user-friendly interface for efficient hotel system management.
- Implemented MySQL database to securely store and manage hotel data, including room reservations, guest details, and billing information
- Customized the system to cater to the specific needs of the hotel, including reservation management, check-in/check-out processes, and room assignment.

ACHIEVEMENTS

- Successfully qualified for the prestigious **National Talent Search Examination (NTSE 2018)** Level 1, by securing 136 marks out of 150.
- Goldman Sachs Software Engineering Virtual Experience Program, completed practical tasks in crack leaked password database.
- Walmart Global Tech Advanced Software Engineering Virtual Experience Program, concluded assignment regarding Advanced Data Structures, Software Architecture and Relational Database Design.

EXTRA CURRICULAR ACTIVITIES

- Secured **1st** position in the Scavenger Hunt Competition conducted in the annual cultural fest of IIITG in which around 200+ teams participated.
- Co-founded as well as engaged as a passionate volunteer with an non-governmental organization (NGO), **The Sahayta Foundation**, committed to making a positive impact on the lives of those in need. Also supported the corona warriors at the time of national crisis.
- Took part in various codechef and codeforces contests as well as contests conducted by Programming Club, IIITG.
